MAKE YOUR OWN SHADOW PUPPETS

MATERIALS:

black paper

pencils

straws

hole punches, decorative scissors and scissors

tape

flashlight

DIRECTIONS:

* draw your shadow puppet in pencil on the black paper

* carefully cut out the puppet.

    [you can use decorative scissors or hole punches to add details]

* cut a small vertical slit in the straw and insert your puppet

* use tape to secure the puppet to straw

* voila! turn out the lights, turn on the flashlight and put on a show
